

# **SEMAGNET**

**Southeast Massachusetts Geography Network**

## ***Unpacking the New Standards***

### **You are invited to...**

participate in exciting geography workshops. SEMAGNET will present two Saturday professional development sessions during the 2018-19 school

**October 20 & November 10, 2018**

8:30 AM-1:30 PM

At Bridgewater State University

The focus of the sessions will be on unpacking the Geography Standards in the new 2018 History and Social Science Framework.

A focus on using inquiry in planning your lessons, as well as resources, pedagogy, websites and instructional strategies will be shared to engage your students. Materials will be available for different grade levels and could be used as part of an integrated curriculum.

After attending both sessions and creating and posting a lesson plan, participants will receive 10 PDPs. More detailed information will be distributed at the first session. Participants who do not want PDPs do not need to complete the lesson plan or attend both sessions and will receive a Certificate of Attendance.
